Our services:

Education and Skills Training

1. Fashion Training and Design

We teach the fundamentals of fashion design, including sketching, pattern making, garment construction, and fashion illustration. Our curriculum is designed to provide students with a strong foundation in design principles and techniques, enabling them to develop their unique creative vision.

2. Pattern Making and Gradding

Our students learn the art of creating patterns and prototypes for fashion designs, mastering the technical skills necessary to translate their ideas into reality. We emphasize precision and accuracy in pattern making, ensuring that our students are able to create garments that fit perfectly and meet the highest quality standard **Psag**

3. Manufacturing

: We provide hands-on training in garment production, ensuring our students are industry ready. Our manufacturing training covers all aspects of the production process, from fabric selection and cutting to sewing, finishing, and quality control. We utilize industry-standard equipment and techniques, providing students with the practical skills they need to excel in a manufacturing environment

4. Fashion Business Skills

: We also equip our students with essential business skills, including marketing, sales, and financial management, to help them succeed as entrepreneurs in the fashion industry.

Many of our students have gone on to own their own fashion shops and studios, and we're proud of them

5.Scholarships

_: We offer scholarships to deserving students who cannot afford to pay for our programs, ensuring that talented individuals could pursue their dreams regardless of their financial circumstances. Our scholarship program is a testament to our commitment to social responsibility and our belief in the power of education to transform lives.

6. Internships

: We provide internship opportunities to students from TVET colleges and universities, giving them valuable industry experience and helping them to build their professional networks. Our internship program provides students with the opportunity to work alongside experienced fashion professionals, gaining practical skills and insights into the industry..

7. Community Support

: We are dedicated to supporting the growth and development of our local community, creating opportunities for individuals and contributing to the overall well-being of society.

8. Mentorship Programs

: We connect students with experienced fashion professionals who provide guidance, support, and mentorship, helping them to navigate the challenges of the industry and achieve their career goals.
